DEWAN OF MYSORE

CARLTON HOUSE,
BANGALORE.

27th February 1927.

My dear Mr. Thumboo Chetty,

I am returning herewith a telegram and a letter endorsed by you to me, as I am sorry to say that the endorsements are not in proper form. Such papers ought properly to be endorsed to the Secretaries to the Government in the Departments concerned. If in any case they are to be sent to the Dewan, the proper course is to send them with a covering demi-official letter.

Yours sincerely,

Mirza M. Ismail
